September 8th & 9th, 2018

The Fair Committee is in the process of issuing out your parishioner's fair packet envelopes that includes your raffle book and Sunday dinner tickets. Each weekend between now and October 7th for your convenience, the ushers will be conducting a special collection for you to return your monies and raffle stubs. Please return the stubs and monies sealed or taped in the envelopes that was provided to you when you received your packets. Because those envelopes were labeled with your name on them, this will help the money counters and committees to more accurately post and track your donations.
